PROFESSIONAL SUMMARY

Operations and systems professional with 5+ years of cross-functional experience spanning customer success, sales operations, and workflow automation. Proven ability to identify process gaps and build internal tools using Zapier, Google Apps Script, Slack integrations, and AI-assisted workflows that reduce manual work and improve team efficiency. Equally comfortable managing client relationships and building the systems that support them.

CORE COMPETENCIES

Process Improvement & SOP Development • Workflow Automation (Zapier, Apps Script) • CRM Management (HubSpot, GHL, Monday.com) • Client Onboarding & Retention • KPI Dashboards & Reporting • Vendor & Stakeholder Coordination • Sales Operations Support • Data Cleanup & Structuring • AI-Assisted Workflow Design • Slack Integrations • Retailer Portal Management (1WorldSync, UNFI, SPINS, Mable, McLane)

EXPERIENCE

Sr. Customer Success & Operations Representative

Cleango | May 2024 – May 2026

- Guided new clients through onboarding, training, and ongoing support — reducing ramp time and improving early retention.
- Conducted proactive check-ins to anticipate client needs and resolve issues before escalation.
- Coordinated daily communication between clients and vendors to maintain smooth operational flow.
- Designed and implemented SOPs, workflow documentation, and operational databases to standardize team execution.
- Supported internal people ops: event coordination, onboarding checklists, training materials, and admin data entry.

Sales Operations & Systems Support

Multiple Companies (Freelance/Contract) | January 2022 – May 2024

- Built and maintained internal operations systems using Google Sheets + Google Apps Script to automate reporting and reduce manual data entry.
- Created process documentation and SOPs to standardize execution across distributed teams.
- Developed internal KPI dashboards and sales reporting tools for performance visibility.
- Built sales enablement resources including team hubs, pitch templates, and sell sheets aligned to brand guidelines.
- Managed retailer portal submissions and data accuracy across 1WorldSync, SPINS Product Hub, UNFI, Mable, McLane, and Albertsons.
- Managed social media accounts, Facebook communities, and online group operations for multiple coaching brands.
- Supported revenue generation through appointment setting and direct message closing across e-commerce, Airbnb, and YouTube automation brands - contributing to \$500,000+ collected across roles.

Sales Account Executive / Account Manager

C&M Legal Search (Legal & Recruiting Industry) | January 2021 – January 2022

- Generated and qualified leads through outbound email and LinkedIn outreach using Sales Navigator, ZoomInfo, and LinkedIn Recruiter.
- Maintained accurate CRM data entry and supported job order management in Big Biller.
- Managed client relationships through consistent follow-up and inquiry response.

Customer Care Representative

Suntrust / Truist Bank | September 2020 – 2021

- 100% Customer Experience QA Score — Suntrust/Truist Bank (July 2021)
- Contributed to \$500,000+ in revenue collected across sales roles through appointment setting and direct closing.
- Built Slack slash command bot deployed on Vercel that eliminated team context-switching for asset retrieval.
- Engineered AI-powered data pipeline (Claude + Zapier + Apps Script) to handle bulk unstructured requests and convert to clean structured outputs.
